Harvest Gathering  
September 18-20, 2015

Welcome to Earthwork Farm! We're so glad you made it here safe and sound! Make yourself at home and enjoy your time here on the land. This program is brimming with information, please take some time to take it in. This is the 15th ANNUAL Harvest Gathering! Thank you for your support in making it positive for the little ones, the elders, the farmers and the rest of us too. May our time here together empower us to do more of the work we see the need for. Deep breaths. Big sounds. Shining eyes.

Gratitude, The Bernard Family  
+ the Earthwork Staff
