HARVEST

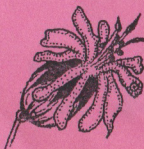

GATHERING

Hello and welcome to the 11th annual Earthwork Harvest Gathering! The circle widens, the community grows, the culture deepens. We have made some major improvements here on Earthwork Farm since last year and the center of gravity is moving northward! We have officially outgrown the Earthwork kitchen and now have a brand new well up on the hill and a full scale power upgrade to accomodate food and beverage vendors for everyone: Bob's Burgers and Pasties, Dancing Bear Breakfast Burritos, Higher Grounds, Ghetto Gourmet, Harmony Grounds and Make a Baby Pizza! The Cedar Stage has been transformed! More workshops will now be held at our wedding ceremony site! The middle woodlot is now quiet family camping. Make note of the map. Help us take care of this farm. We're so glad you're here.

Love,

Earthwork Farmers - Bob, Suzy, Seth and May
