

EARTHWORK

Harvest Gathering

Welcome friends, thank you for your presence here. For 14 years now we have gathered together to create and celebrate...the abundance of our culture, our community... the **harvest**... As humans have done across the earth, through the ages. May all of this music and food and enrichment fuel the good work we've got to do. May this program serve as your guide. We wish you the most magical, meaningful weekend and we wish to honor those who came before and serve the little ones with this time we get to spend.

TOGETHER TO GATHER TOGETHER TO GATHER TOGETHER TO GATHER TOGETHER TO GATHER TOGETHER

Tickets available at the gate, the merch booth or from any of our wandering raffle ticket sales-folks:
\$5 each or 5 for \$20

THE FARMER'S MARKET

This year we are thrilled to present the first annual Harvest Gathering Farmer's Market, featuring a brand new stage and some of Michigan's finest green thumbs. Make yourself a picnic in the community kitchen, take part in fun community art projects and workshops, and take home your share of the Harvest!

"Eating is an agricultural act"
-Wendell Berry

"It is also an ecological act, and a political act, too."
-Michael Pollan

*All of our food vendors proudly feature fresh,
local foods from farmers we celebrate!*
