

EARTHWORK
HARVEST
GATHERING

— — 2016 — —

~ Welcome to the 16th ANNUAL
~ Earthwork Harvest Gathering ~

We're so glad you could make it.

Thank you for your presence, make yourself at home. We've got a glorious weekend in store here. Please take some time to digest this program - there is so much fuel - inspiration, education, orientation - choose your own adventure!

We're making the circle wide, folks, and always looking out for the little ones + honoring our elders. We trust + you to treat one another, the farm and our Mother with respect. We truly appreciate your support of Earthwork Farm and your unique contribution to this community-building tradition. This is our time. It's good to you are appreciated.

Blessings + Gratitude,

See you.
